Commissioner of Conservation
Office of Conservation
Post Office Box 94275
Baton Rouge, LA 70804-4275

Re: Bol Perca Zone, Reservoir A
Leleux Field
Acadia Parish, Louisiana

Dear Commissioner Boudreaux:

Application is hereby made on behalf of **DAVIS PETROLEUM CORP.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Bol Perca Zone, Reservoir A, in the Leleux Field, Acadia Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Bol Perca Zone, Reservoir A, in the Leleux Field, Acadia Parish, Louisiana, said unit to be designated BOL P RA SUA, as shown on the plat attached hereto and made a part hereof.

2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.

3. To designate Davis Petroleum Corp. as operator of the proposed unit.

4. To designate the Davis Petroleum Corp. – P. Cormier, Jr. Heirs No. 1 Well as unit well for the proposed unit.

5. To provide that any future wells drilled to the Bol Perca Zone, Reservoir A, in the Leleux Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

6. To provide that the Commissioner of Conservation should be authorized to reclassify the Bol Perca Zone, Reservoir A, in the Leleux Field by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such others matters as may be pertinent.

The Bol Perca Zone, Reservoir A, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 11,352 feet and 11,743 feet (electrical log measurements) (true vertical depths of 11,213 feet and 11,560 feet) in the Davis Petroleum Corp. – P. Cormier, Jr. Heirs No. 1 Well located in Section 15, Township 11 South, Range 1 East, in the Leleux Field, Acadia Parish, Louisiana.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux, Leon Comeaux & Associates, P. O. Box 53922, Lafayette, Louisiana 70505, Telephone Number (337) 233-9839.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Wednesday, April 3, 2002, WILL NOT BE HELD.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated March 13, 2002) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$700.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

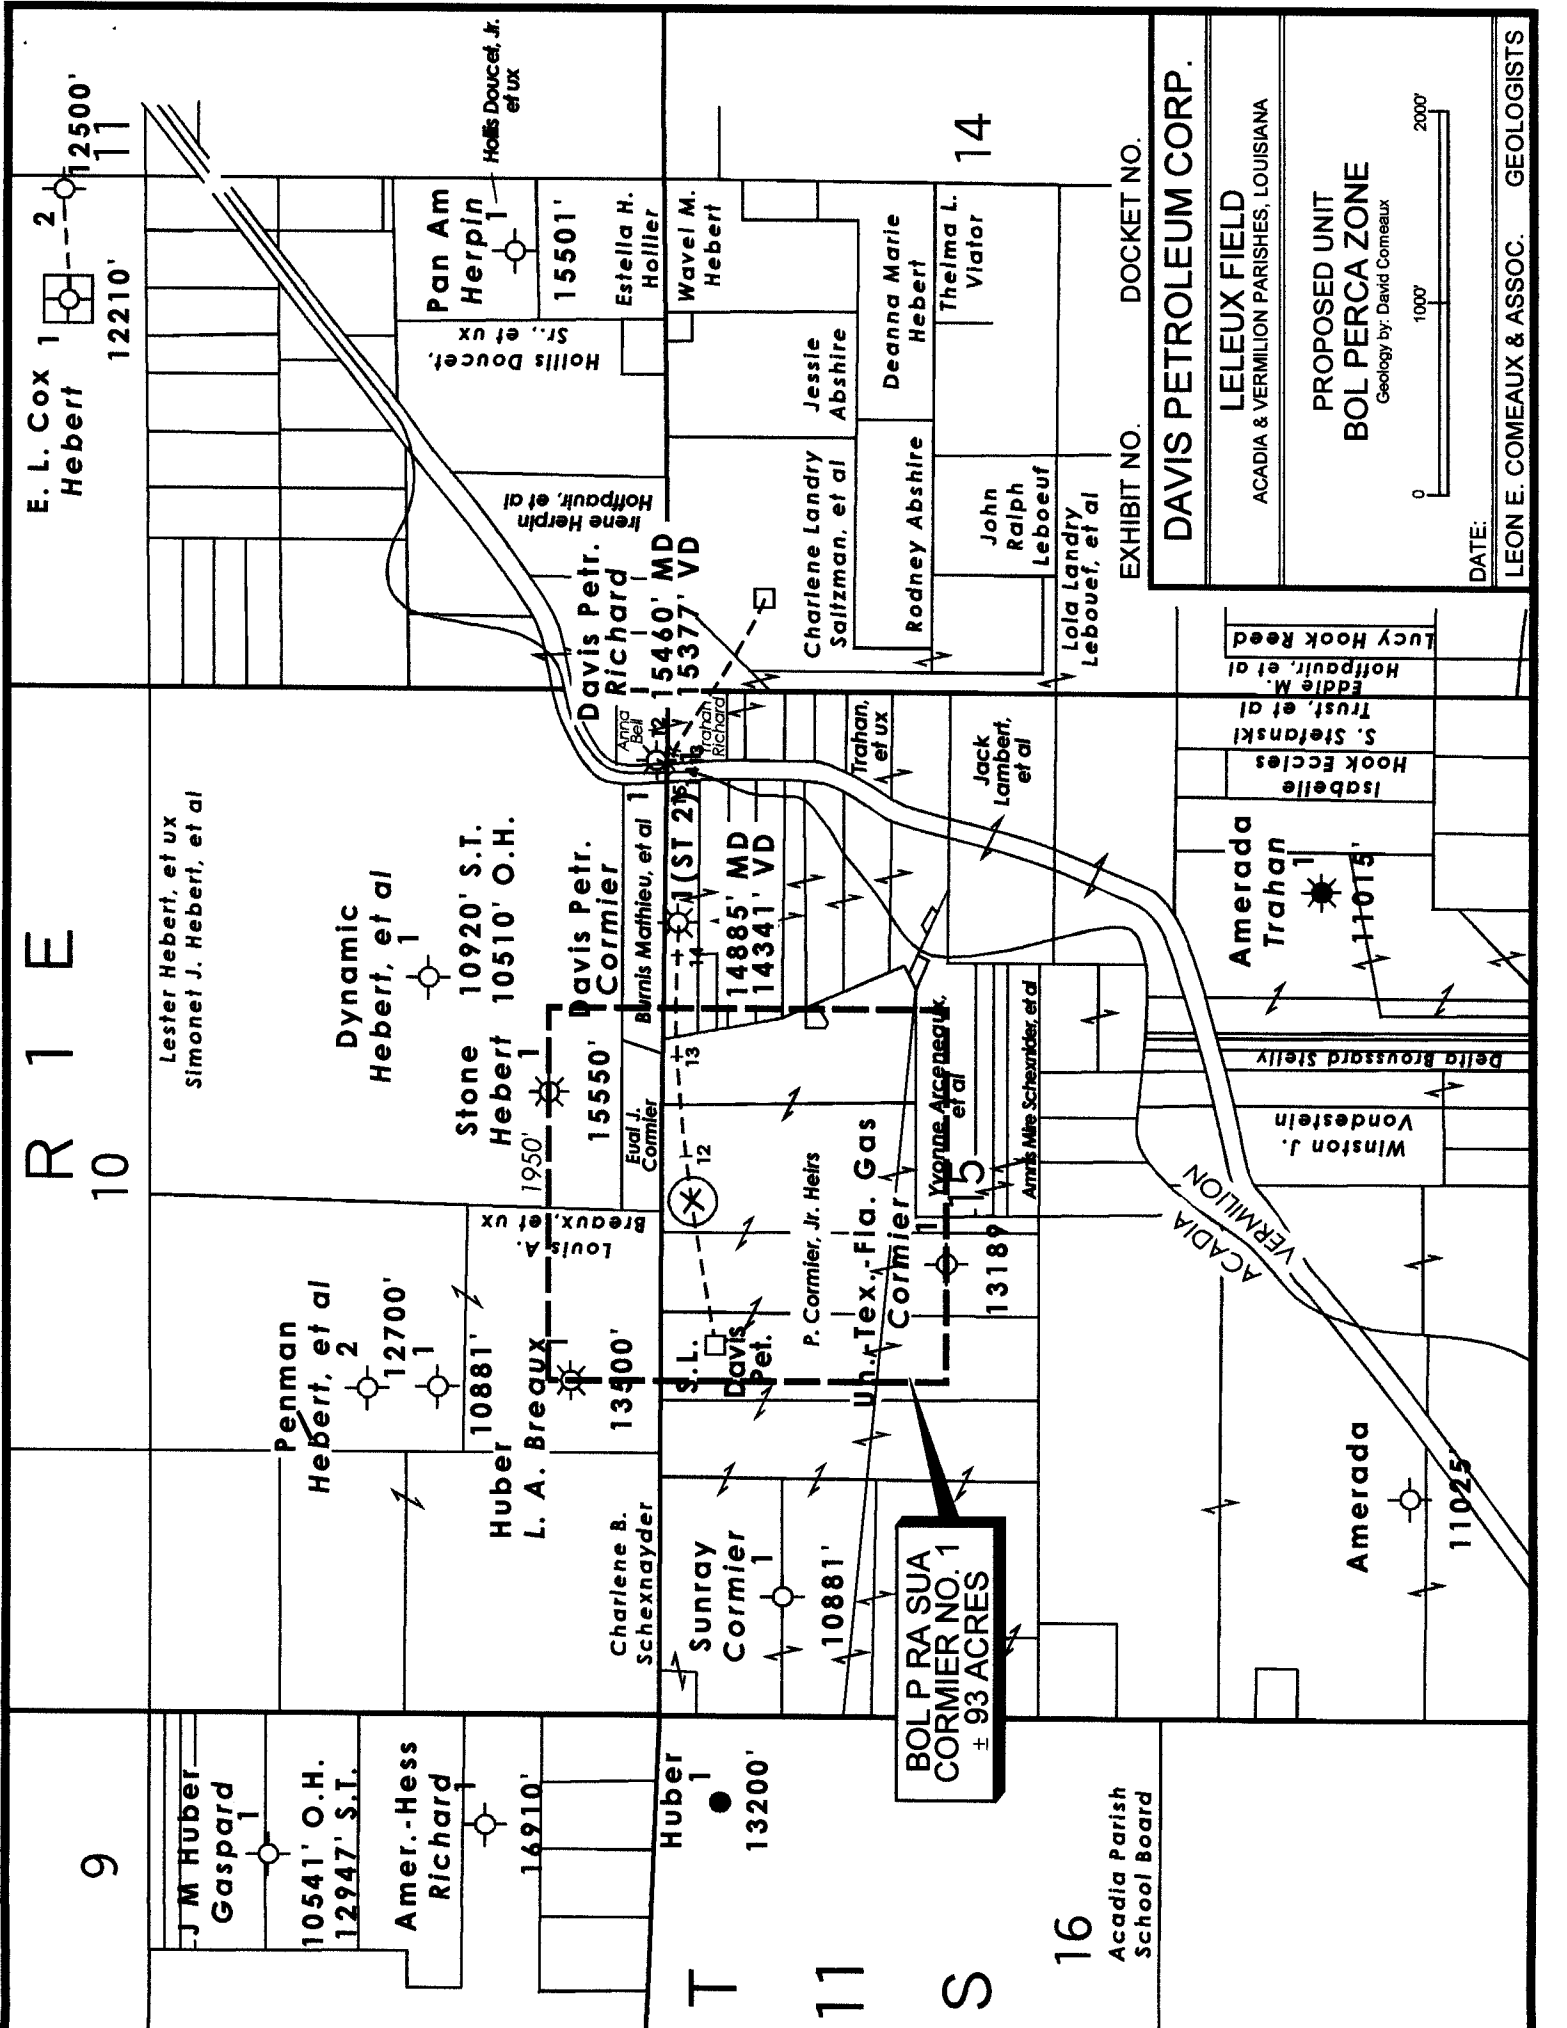

Richard W. Revels, Jr.
